## **ACT Prep Course**

For the 2017-2018 school year, ACA will be offering an ACT Prep course at school the three days prior to each test date. This course will be free of charge for all students who are enrolled to take the test for the specific ACT date. Students will be required to show proof of enrollment in order to be excused from class to take the course. Absences from classes on those days will not count toward their absence total. The course will run from 8:00 a.m. - 12:00 p.m. and each day will focus on a different test area. For example, Wednesday would focus on Science, Thursday on English and Friday on Math. Students will receive intensive instruction in each subject geared toward the ACT. This course is limited to Juniors and Seniors, with the exception of the April date, where Sophomores will be eligible to participate.
